THE 1964 BRUINS

JIM COLLETTO

RETURNING VETERANS—26 returning lettermen from 1963 squad, including 6 ends, 7 tackles, 4 guards, 2 centers, 2 quarterbacks, 1 left halfback, 2 right halfbacks and 2 fullbacks. Of these, 15 are one-year veterans; 11, two-year vets. There is only one position change with left half Byron Nelson moving to right half to take advantage of his pass receiving and blocking. Seventeen returnees started games, topped by right tackle Kent Francisco in all 10 games. Left end Kurt Altenberg opened in 9 contests; center Prentice O'Leary and fullback Jim Colleto in 8; left tackle Mitch Johnson in 7; quarterback Larry Zeno and left half Nelson in 5; right half Bob Richardson in 4; left tackle John Pentecost, left guard Dick Peterson and right guard Russ Banducci in 3; center Jim Miller, right halfback Mike Haffner and right half Gale Hickman in 2; and quarterback Steve Sindell, left end Gary Callies and left guard Chuck Davis in 1 each. Although none of the returnees won much All-Coast or All-AAWU recognition last year, the Bruins have several 1964 "All" candidates, including Francisco, Altenberg, Zeno, Nelson and O'Leary. There's no doubt Francisco will be one of the outstanding tackles on the Coast. Altenberg, equally talented as an offensive end and a defensive halfback, is an especially adept pass receiver who averaged 41 minutes of action per game as a soph last year. Zeno has established himself as a versatile QB who can hurt the opposition running, passing or place kicking. Nelson is another versatile performer who runs, catches passes and blocks with the best. O'Leary figures to become recognized for his fine ability as an offensive center, blocker and team leader. Other Bruins to keep an eye on are Colletto, Peterson, Banducci and fullback Paul Horgan, who came fast last spring. Haffner, who appears on the verge of regaining his 1961 soph form, and Sindell, who is tabbed to team up with Zeno for a potent combo at QB, are other Bruins who can't be overlooked in this preseason "look."

DICK PETERSON

LOSSES—14 lettermen, including 4 ends, 1 tackle, 3 guards, 1 center, 2 left halfbacks, 2 right halfbacks, 1 fullback. Of these, 9 were three-year veterans. The biggest loss is Mel Profit, unanimous All-AAWU and All-Coast first team end who also won wide All-America acclaim. Voted the Bruins' "Most Valuable Player" last year, he rates as one of the Bruins' most talented all-around ends in history. A bona fide "ironman," he averaged 34 minutes of action per game for

29 UCLA varsity contests in which he competed. He led the '63 Bruins in pass receiving with 28 catches. Besides Profit, the Bruins lost two other regular 1963 starters in Captain Walt Dathe at right guard and Alternate Captain John Walker at left guard. Other part-time starters and top replacements who'll be sorely missed are Dave Gibbs and Jim Stanley at right end, both especially tough defensively; John LoCurto at left guard; Carl Jones at quarterback and left half; Bill Hauck, who played at both halfs; and Al Geverink at right half. Also, punting specialist Tom Bennett, who averaged 38.03 yards on 31 kicks last year, will be missed.

STEVE DURBIN

PROMISING SOPHOMORES—UCLA appears to have a bumper crop of sophs, the best in many years. In the backfield, the Bruins are counting on Steve Durbin, a hard-running 170-pounder, up from the '63 Brubabes, to bolster their running game. He could well start at left half. Defensively, there are three likely soph starters in John Richardson at left guard, Ted Bashore at right end and Erwin Dutcher at right linebacker. Richardson, up from the frosh, has good size (6-2, 220) and is aggressive. He'll also spell senior star Kent Francisco at offensive right tackle. Bashore, up from the frosh, is quick and tough—and also figures to help both ways. Dutcher, up from the "redshirts," is another hard hitter with good football instincts. Other sophs to check out are two speedsters at halfback, Ray Armstrong and Eddie Hutt; guards Rich Deakers and Jerry Baloga; fullback/defensive end Vic Lepisto; linebacker Mike Roof; tackle Eric Taylor; defensive half/left end Gary Bickers, all up from Lew Stueck's Brubabes who posted a 3-1 record last season.

OFFENSE—Look for UCLA, now in its third year of T-formation football after 13 years of Single Wing, to employ a more balanced type of "T," featuring a flanker set and a slot back formation. In other words, the '64 Bruins will be both a running and passing team. Last year, due to the scarcity of good running backs, especially those with speed, the Bruins had to go mainly with a passing attack as the statistics attest: net yards gained by rushing, 759 yards, to 1,560 yards gained by passing. Plus, the Bruins scored 10 TD's by passing to only 2 on runs from scrimmage. Giving impetus to the running game will be the use of the slot back formation in which the flanking halfback (rh) is brought into the slot so that he becomes a running and blocking threat.

RUNNING—UCLA figures to have a greatly improved running attack this season. Simply stated, the Bruins have more running backs, especialy ones with the im-

portant asset of speed. They also have installed the slot back formation to make the wingback (rh) more of a running and blocking threat. Left half Steve Durbin is a soph with fine running instincts. He has the knack of picking up extra yardage when hit. Ray Armstrong, a soph speedster who runs the 100 in 9.8, also impressed at left half. Two veteran backs with good size, Mike Haffner, 186, and Byron Nelson, 199, figure to be a potent 1-2 combo at wingback as both runners and blockers. Haffner showed signs last spring of regaining his sophomore running form of 1961 when he led the AAWU in ground gaining. Then, at fullback, the Bruins are counting on a pair of hard-running juniors, Jim Colletto and Paul Horgan, to be a solid tandem. Horgan demonstrated last spring that he's going to push Colletto, the Bruins' leading ground-gainer last year, for starting honors. Soph full Vic Lepisto looks like a comer. And of course, Larry Zeno is a dangerous runner on QB keeps.

PAUL HORGAN

MIKE HAFFNER

PASSING—UCLA has the ingredients for another potent aerial attack: good passers and good receivers. Senior QB Larry Zeno, who has led the Bruins in passing for two straight years, is back to team with senior Steve Sindell, another talented passer who was coming strong at end of 1963 campaign. Zeno's impressive two-year totals are 102 out of 216 attempts for .472%, 1,494 yards and 8 TD's. Sindell hit on 31 of 64 passes for .485%, 342 yards and 2 TD's. There's no doubt Zeno and Sindell could be a truly outstanding aerial combination for the Bruins. And they have a corps of top receivers to throw to, including seven of the Bruins' eight best receivers last year. They are paced by junior Kurt Altenberg, the split end who latched onto 24 passes for 419 yards and 1 TD, second only to the departed Mel Profit who made 28 receptions. Klassy Kurt has the size, moves and hands to be one of the country's finest receivers. Then the Bruins have three fine receivers in wingbacks Byron Nelson, Mike Haffner and Bob Richardson. Nelson

STEVE SINDELL

caught 21 last year, five of 'em for TD's; Haffner, four in only two games at this pass-catching spot; and Richardson, 10. Three veteran ends—Gale Hickman, Warren Wetzel and Gary Callies—are good targets. Sophs Ray Armstrong, a speedy wingback, and Gary Bickers, a split end, also indicated last spring they are receivers to check. All indications, however, point to much less emphasis on passing this season compared to last year's "passingest" UCLA team in history.

BYRON NELSON

DEFENSE — Because of the new substitution rule, the Bruins will be able to go largely with a defensive unit, a combination in which most starters will specialize in defense. Only a few key performers, like end/halfback Kurt Altenberg, tackle Kent Francisco, wingback/safety Byron Nelson and fullback/end Jim Colletto, will see too much action both ways. With experience gained as soph defenders last year, the Bruins figure to be tougher both in defensive secondary and in the line. For example, junior Bob Richardson is expected to concentrate mainly on his defensive halfback duties and leave the offense to wingbacks Mike Haffner and Nelson. The latter, of course, is tabbed to be the starting safetyman (and a good one) and also spell Haffner. Such capable vets as guard Russ Banducci and tackles Mitch Johnson and Gerald Johns are tabbed primarily as starting defenders. Junior Jim Miller, who came fast last year, and promising soph Erwin Dutcher, up from the "redshirts," will be linebacking starters. Two other talented sophs up from the frosh moved into starting defensive roles last spring. They are guard John Richardson, a tackle on offense, and end Ted Bashore.

KENT FRANCISCO

FROM TACKLE TO TACKLE— With the exception of guard, the Bruins are more experienced and loom much tougher in the line than last year. For example, they have no less than seven returning veterans at tackle, always a key spot up front. In Kent Francisco, a senior with great "All" potential, they have an all-around standout. Two other two-year vets, John Pentecost and Mitch Johnson, are expected to be starters, with Pentecost operating on offense and Johnson on defense. Tabbed to be a starting defensive tackle is Gerald Johns, who came fast as a transfer last season. They all have good size, ranging from 220 to 230. Soph John Richardson looks like a comer as an offensive tackle and a defensive starting guard. Although they'll miss starters Walt Dathe and John Walker at guards,

THE 1964 BRUINS

(Continued)

the Bruins have three top returnees in Dick Peterson, Russ Banducci and Barry Leventhal. Peterson is rated one of the best all-around guards on the Coast. Banducci has unlimited potential. Chuck Davis, another returning guard, again will concentrate as a linebacker. Senior Prentice O'Leary is tabbed to be better than ever at offensive center, with Bob Gongwer, a promising soph, backing him up.

KURT ALTENBERG

ENDS—Prospects are bright at the wings, with six talented returnees and several promising newcomers on hand. Junior Kurt Altenberg, off a sensational soph season, may well be the Bruins' finest all-around gridder. Not only a great split end, he also is a stalwart in the defensive secondary. If he can go, as hoped, mainly on offense, he is tabbed to be one of the country's truly outstanding receivers. Seniors Gary Callies and Gale Hickman figure to spell him both ways in effective style, with the emphasis on defense. At tight end, the Bruins are counting on two capable vets, junior Warren Wetzel and senior Don Francis, and a tough newcomer, Ted Bashore, up from the frosh. Four rugged fullbacks, including vets Jim Colletto and Paul Horgan, nonletterman Jack Blaine and soph Vic Lepisto, are earmarked for defensive end duty.

RUSS BANDUCCI

THE OUTLOOK—The experts, including the man who really knows, Bruin boss Bill Barnes, are confident that UCLA will field a stronger football team "in every way" than last year's sophomore-studded squad. However, the Bruins again are facing one of the toughest schedules in the country, including six away games, four in a row. There's sound reasoning for limited optimism because of improvement in the running game and defense to complement a dangerous passing attack. In other words, the '64 Bruins will feaure a balanced run-pass attack. Barnes will take advantage of the new substitution rule and go largely with offensive and defensive units. Only a few exceptional performers will go both ways. In the final analysis, the 1964 football outlook is brighter, but the schedule once again is tough, to put it mildly, and it will take an all-out effort and a share of the "breaks" for the Bruins to post a winning season. "It will be a most interesting and challenging season," Barnes commented.

Widest Margin of Victory for UCLA: 14 points (20-6 in 1961)

Widest Margin of Victory for Pittsburgh: 21 points (27-6 in 1958)

In 1963 Pitt finished with a 9-1 record, best since the 1937 squad won the national title. However, 19 lettermen are gone, including the entire starting line and two regular backs.

Quarterback Fred Mazurek (185), a strong candidate for national honors, heads 21 returnees. Mazurek passed for 949 yards and ran for 646 more last year to establish a school record for total offense (1595 yards) in one season. The other returning regular is right half Bill Bodle (192), who lost his first-string position to Eric Crabtree (180) in spring practice. Dale Stewart (200), hampered by injuries last fall, is the other halfback and Barry McKnight (204) is at fullback.

Big question marks are in the line at ends and depth at tackle. Bill Howley (6-2, 200), an excellent receiver, is the only returning end with a varsity letter. Junior John Verkleeren (6-2, 193) is tabbed as the other receiver. Jim Jones (260) and Ron Linaburg (210), second-team tackles in 1963, will start, but after them, John Michelosen has problems.

The middle of the line looks especially strong with Ray Popp the best middle linebacker the Panthers have had in 10 years.

The Panthers will be weaker this year although the scoring punch is present, and Pitt should have another winning season. The big problems could be depth and defense.

UCLA All-Time Record Against Penn State: W-0, L-1, T-0

Widest Margin of Victory for Penn State: 3 points (17-14 in 1963)

Coach Rip Engle expects a team that is able to move the ball on the ground or in the air, coming up with the long, exciting play more often. To accomplish this, he has 16 lettermen back, including 12 from his first two units.

Bright spots are at halfback, fullback, guard and, Engle hopes, tackle. Gary Klingensmith (190), last year's leading ground-grainer with 450 yards in 102 carries, heads a host of halfbacks. At guard, All-America candidate Glenn Ressler (230) is joined by two lettermen and possibly a third, Bill Huber (210), who played fullback in 1963.

Three other fullbacks return, headed by Ed Stuckrath (195) who is also an outstanding roving linebacker. And at tackle, John Simko (245) and Sandy Buchan (225) are joined by third-string letterman John Deibert (235).

Quarterback and end are the problem spots. Gary Wydman (180), who lettered at halfback in 1961; Jack White (195), a transfer student, and Dick Gingrich (180), out since playing on the frosh in 1962, are candidates for the QB spot. An even bigger problem exists at end, where spring drills did little to overcome lack of speed, depth and good size. Bill Bowes (6-2, 205) and Gerry Sandusky (6-1, 195) have moved up from the second unit, but they're all Engle has.

Widest Margin of Victory for UCLA: 72 points (72-0 in 1954)

Widest Margin of Victory for Stanford: 82 points (82-0 in 1925)

From all indications, the Indians figure to improve on last year's 3-7 mark, based on more experienced defensive personnel, more depth, and a year of play with the variable T-offense of coach John Ralston.

Strong point of the aggregation should be defense, with such standouts as Jack Chapple (222), Joe Neal (201), Bob Nichols (225) and Dick Leeuwenberg (239) in the line; Glenn Myers (193) at linebacker and Craig Ritchey, a 175-pound halfback.

Leading the offense is All-America candidate Dick Ragsdale (174) at halfback, top scorer in 1963 and third in total offense for the Indians. In addition, sophomores provide speed for the attack in the persons of halfbacks Bob Blunt (176), Bob Oar (182) and fullback Bill Ostrander (181).

The big problems are at quarterback and fullback, in addition to finding someone to fill the void left by the departure of halfback Steve Thurlow, number one in total offense and rushing. Heading the candidates for quarterback are Dick Berg (173), Terry DeSylvia (171) and Dave Lewis (190). Berg was second in total offense last year and led the team in passing with 301 yards and slightly less than a .500 average. DeSylvia, however, who is a transfer student, had the job at the close of spring drills.

Returning Lettermen: 22

UCLA All-Time Record Against Syracuse: W-0, L-3, T-0

Widest Margin of Victory for Syracuse: 28 points (36-8 in 1959)

With 22 lettermen back, veteran coach Ben Schwartzwalder should again have a strong team with a solid ground attack and a rugged defense. Nine of last season's top 11 ground-gainers return plus all four lettering quarterbacks.

Lettermen include signal-callers Walley Mahle (195) and Rich King (190), left half Billy Hunter (190), right half Mike Koski (195) and fullback Jim Nance (230). Mahle and King shared the Orange QB spot most of last season. Mahle, with 457 yards and a 5.8 average per carry, was the leading rusher. King, who tossed for 675 yards (37 of 80) and added 102 yards rushing was the pace-setter in both passing and total offense. Nance was named the top back in last year's SU-UCLA game.

If there is a problem, it is the rebuilding job from tackle to tackle which faces Schwartzwalder.

Only two returning starters up front are back. End Jim Cripps (6-1, 210) and tackle Gerry Everling (205) return while George Fair (6-1, 195) looks like a solid citizen at the other end post and center Pat Killorin (220) is a strong blocker. The two guard and tackle spots feature untested men. Everling will probably be a defensive specialist at inside tackle in Schwartzwalder's unbalanced line, and rookies are expected to help in both the line and backfield.

Notre Dame fans are hopefully awaiting a new "ara" in football under coach Ara Parseghian, formerly head coach at Northwestern University. The energetic Parseghian has 19 monogram men returning, plus a good crop of sophomore linemen.

According to Parseghian: "The squad is below average in over-all speed, and there is no breakaway back. However, the squad is one that is physically strong, and fairly sound defensively. Also, I've been pleasantly surprised by the work of senior John Huarte (180) at quarterback. Though Huarte suffered a shoulder separation in the final week of spring practice, he firmly established himself as the top quarterback. He is our top passer, and with him in the line-up, we can play more open football."

Guard Jim Carroll (225) heads the list of returning lettermen which includes junior guard Dick Arrington (230 and a tackle last year), senior tackle John Meyer (215), and Norm Nicola (230), a senior center.

Top backs are junior left half Bill Wolski (195) and senior fullbacks Joe Kantor (212) and Joe Farrell (205). Kantor topped Irish ball carriers in yards gained last season (330 for a 3.8 per carry average) while Wolski had the best yards-per-try mark with 4.6 in 70 carries.

Rated the nation's number two football team following the 1963 season, Illinois must win the mythical national championship to show improvement in 1964. That is a tremendous assignment, even though the Fighting Illini were young last fall and have 24 lettermen back (two deep at every spot).

The line appears strong and deep. In the backfield, material is spread more thinly, and help is needed, particularly on defense. Most of the "big names" return, topped by everyone's All-America center Dick Butkus (237) and Rose Bowl Player-of the-Game fullback Jim Grabowski (207). Other prominent lettermen include tackles Archie Sutton (249), a third team All-America in 1963, and Bill Minor (217); guard Wylie Fox (201), Ed Washington (218) and Lynn Stewart (212); end Rich Callaghan (6-2, 176); linebacker Don Hansen (193); quarterback Fred Custardo (189); halfback Sam Price (199); and defensive safety George Donnelly (191).

Elliott is experimenting with two ends, Bob Trumpy (200) and Al Waters (202), as defensive halfbacks, which gives the Illini a secondary averaging 6′ 4″.

Behind Price at left half is letterman Wayne Paulson and Doug Harford, a 9.9 dash-man in track.

Widest Margin of Victory for UCLA: 47 points (47-0 in 1955)

Widest Margin of Victory for California: 35 points (35-0 in 1950)

A new coach and 28 returning lettermen headed by senior quarterback Craig Morton (215) brings renewed hope to California. Morton, who led the AAWU in passing yardage (1475) and total offense (1475 yards), is joined by halfbacks Tom Blanchfield (185), AAWU leading scorer with 45 points, and Jim Blakeney (175) plus fullbacks Tom Relles (175) and Alan Nelson (205)

Up front, the Bears will be bigger and more experienced than in many years. Out since 1962, guard Ron Calegari (255) had an outstanding spring practice. He is joined by junior tackles Roger Foster (235) and Stan Dzura (240), senior tackle Jim Pinson (220), senior guard Dave Urrea (210), and junior guard John Garamendi (215). Rounding out the line are centers Jim Phillips (295) and Jeff Palmer (210). Few sophomores are given a chance to crack the first two units.

California's failure to stop opponents' scoring (they got 213 points) rather than an inability to score (Cal had 195 points) cost the Bears last season. Ray Willsey's pro defensive experience and his work with Texas' Darrell Royal means California should field a more aggressive defense this year.

Widest Margin of Victory for UCLA: 47 points (47-0 in 1957)

Widest Margin of Victory for Air Force Academy: 27 points (48-21 in 1963)

Defense should be more stubborn this year for the Falcons, but it will have to be since the team no longer has quarterback Terry Issacson, leading rusher, passer, scorer, punter and punt return man on the 1963 squad which averaged almost 23 points per game.

The defense rests in a bigger line and the improved play of end Joe O'Gorman (6-3, 214) and the addition of tackle Jerry Twardowski (234). Ron Miazga (202) has been a pleasant surprise at middle guard and veteran guard Tom Gorgas (212), tackle Gary Fausti (210) and end John Puster (6-3, 197) add strength.

At quarterback, seniors Dave Backus (170), a letterman, and Howard Burkart (178) and Tim Murphy (175) are rated as "even" by Martin. The running game will rest on the power of halfback Dick Czarnota (206) and the driving, evasive style of halfback Paul Wargo (192).

Kicking will be an integral part of the offense, with Bart Holaday (185), the team's second high scorer with 44 points—all by kicking—returning.

The quarterback problem and revamping the offense to meet the abilities of whichever player is chosen, is the big challenge facing the Falcons. Martin feels that this, coupled with the 1964 schedule, makes it "improbable that we will be able to duplicate our outstanding record of 1963."

Widest Margin of Victory for UCLA: 27 points (34-7 in 1947)

Widest Margin of Victory for Washington: 41 points (41-0 in 1940)

Main strength of the Washington Huskies lies in a powerful offensive backfield and a devastating defensive unit. The offensive line is relatively inexperienced. In all, 20 lettermen are back from AAWU's 1963 champions.

Quarterback is the big question. Bill Douglas (179), a veteran signal-caller, was injured in the 1964 Rose Bowl game and underwent surgery on his knee. Behind Douglas, top contenders are lettermen Jim Sampson (180), and JC transfer Jim Sartoris.

The rest of the backfield sparkles. Led by All-Conference fullback Junior Coffey (205), flanked by halfbacks Steve Bramwell (154) and Charlie Browning (200), the Huskies have both weight and speed. Browning was the leading Husky ground gainer in 1963 with 421 net yards. Close behind was Ron Medved (195), who is returning, with 417 yards.

Defensively, linebacker-guard Rick Redman (215), who earned All-America honors last season, is a strong contender to repeat this year. The defensive line has senior guard Koll Hagen (195) and tackles Jim Norton (225) and Jon Knoll (220). Jon's twin brother, Jerry (225) and a tackle, is the only letterman in the offensive line, and the center spot is still up for grabs.

Severely hit by graduation, the Trojans must rely on the few returning veterans and a number of inexperienced sophomores and junior college transfers if they are to repeat the success of the last two seasons in which they won 18 of 21 games. Only 17 lettermen return with 14 missing, including the fabulous B-Boys: quarterback Pete Beathard, end Hal Bedsole, halfback Willie Brown and linebacker Damon Bame.

The most prominent returnee is halfback Mike Garrett (185), whose sensational sophomore year earned him All-AAWU first team honors. He led the conference and finished seventh in the nation in rushing with 833 yards and a 6.6 average. Other standouts include tight end John Thomas (6-2, 205), guard Bill Fisk (220), halfback Ron Heller (205) and quarterback Craig Fertig (185).

It's the tackles, center and linebacker where the question marks lie. JC transfers such as guard Jim Walker (200), center Marv Bain (195), tackle Jim Vellone (225), tackle Gary Magner (220) and center Bob Rippen (198) are the people who will have to fill the gap.

Other sophs who will probably play key roles are halfback Ray Cahill (195) at flanker and quarterback Rod Sherman (190).

SIXTH SEASON AT HELM

WILLIAM F. "BILL" BARNES — (Tennessee '41)
Head UCLA Football Coach

BILL BARNES

THIS IS William Fletcher "Bill" Barnes' sixth season as the UCLA head football coach. His five-year Bruin record includes 25 victories, 24 losses and two ties against the toughest of major opposition.

Last year, the Bruins in their second season in the T-formation offense finished with a 2-8 record, defeating Stanford and Rose Bowl-bound Washington. In the 1961 change-over campaign from the Single Wing to the "T," the Bruins had to settle for a 4-6 record in which they lost close ones to Pittsburgh (6-8), Air Force Academy (11-17) and Syracuse (7-12).

Barnes, however, has turned out three winning teams in his five years as the Bruin gridmaster. His winning campaigns were 5-4-1 in 1959, 7-2-1 in '60 and 7-4-0 in '61, including two AAWU championship clubs. The '59 Bruins tied with Washington and USC, all with 3-1 records, for the conference crown. His '60 team winding up the season by smashing Duke's Cotton Bowl-bound squad 26-7, is rated one of UCLA's finest single wing powerhouses. The '61 Bruins were undisputed league titlists with a 3-1 mark and a Rose Bowl entry.

Actually, this is Barnes' 15th year at UCLA, eight as a top assistant and scout under the late Red Sanders (1950-57), one as first the senior aide and then acting head coach in 1958 when headman George Dickerson became ill in mid-season and now he's in his sixth season as the Bruin boss. He was officially signed in December, 1958, as UCLA's ninth head football coach in history.

He came to UCLA after four years (1946-49) as end coach and scout at University of Arkansas. He began his coaching career as a freshman assistant at University of Tennessee in 1940, serving one year at his alma mater. And so he goes into this 1964 campaign with 19 years of coaching behind him.

Bill also has served with distinction in major post-season coaching assignments. He was a staff member (1959) and then head coach (1960) of the West team in the annual East-West Shrine Classic in San Francisco. He also was the head coach of the West teams in the '62 and '63 Hula Bowl games in Honolulu.

Barnes was a versatile gridder at Tennessee under the late and great Gen. Bob Neyland, playing in the line and backfield. As a senior in 1939, he was an end. He and the Vols, by the way, played in the 1939 Orange Bowl and 1940 Rose Bowl.

Barnes prepped at Memphis, Tennessee, Central High where he won All-Southern prep honors in 1935. He was graduated from Tennessee in 1941 with a

Bachelor of Science degree in Education, majoring in Geography and minoring in Geology.

He served in the Army during World War II (1942-46) and was discharged with the rank of major. While in the service, he was awarded the Legion of Merit, Silver Star and Bronze Star.

After leaving the Army, Barnes was signed by Arkansas. Coaching there was pleasurable to Bill because that's where he met his charming wife, the former Frances Tow.

THE STAFF

SAM BOGHOSIAN—(UCLA '56)
Assistant

Sam Boghosian, now in his eighth year with the Bruin coaching staff, is the head line coach. He joined the varsity coaching crew after two years (1955-56) as assistant frosh coach.

While a junior on the UCLA varsity, Boghosian started at left guard in the 1954 Rose Bowl game. He topped his collegiate career as a senior by winning All-Coast honors on the Bruins' undefeated-untied national championship team in 1954. He also was a member of the West team in the 1954 East-West Shrine classic.

Boghosian is married to the former Judy Busch and they have a son, John James, 3 and a daughter, Jodi Kathleen, born on June 6, 1964.

JOHN L. "JOHNNY" JOHNSON—(UCLA '47)
Assistant

Johnny Johnson is in his seventh year with the varsity coaching staff and again will be responsible for the defensive secondary. For eight seasons (1950-57), he was head UCLA freshman coach.

His 1955 squad is the only undefeated-untied freshman team in UCLA history. That year, the Brubabes defeated Stanford's frosh for the first time in 18 years, ending a win streak that began in 1939 when Johnson was captain of the UCLA frosh squad.

Following four years of Naval Air Corps service (1942-46), Johnson returned to UCLA as a fullback on the 1946 Bruin team which won the PCC title but lost to Illinois in the 1947 Rose Bowl game.

ROBERT L. "BOB" BERGDAHL—(UCLA '57)
Assistant

Bob Bergdahl, now in his sixth season on the varsity staff after one year as head frosh coach (1958), works with the Bruin running backs and defensive ends.

A blocking back (quarterback) on the 1954-55-56 UCLA squad, Bergdahl played in the 1956 Rose Bowl game against Michigan State. In his senior year, he was named recipient of the N. N. Sugarman award for "best spirit and scholarship" and to the All-Coast honorable mention team.

Bob's father is Len Bergdahl, 1930-31-32 UCLA

quarterback. He's married to the former Judy Berry and they have a daughter, Jill, 6, and a son, Bobby, 4.

DANIEL E. "DAN" PETERSON—(UCLA '58)
Assistant

Dan Peterson, starting his seventh season with the varsity coaching staff, will work with the UCLA offensive and defensive interior lines.

Peterson played for the Bruin varsity in 1955-56-57 as a center and linebacker. His senior year, he was named to the NBC All-Coast squad and received the Los Angeles Bruin Club trophy as the "Most Outstanding Senior." He was also a three-year letterman on the Bruin rugby squad.

JOHN W. "JOHNNY" HERMANN—(UCLA '56)

Johnny Hermann, in his second season as a full-time varsity assistant after four years as head freshman coach, handles all phases of the Bruin passing game, including quarterbacks and receivers.

He was a member of UCLA's 1953-54-55 championship squads. As a senior, he started at end for the Bruins against Michigan State in the '56 Rose Bowl game. Two years before, playing wingback, he also appeared in the New Year's Day game against Michigan State. In 1954, he was a starting wingback on the Bruins' National Championship team.

Hermann played one year of professional football at defenive halfback with the Baltimore Colts (1956). He joined the UCLA coaching staff in 1959.

JOHN R. "DICK" MANSPERGER—(Arizona St. '58)
Assistant

Dick Mansperger is in his second year as a varsity aide, with duties as offensive line coach. He has served on the staff at Arizona State (1958, 1962), West Texas State (1961) and was head coach at Palo Verde Junior College in Blythe, California two seasons (1956-60).

Mansperger starred at tackle for Arizona State in 1956 and '57 after lettering two years at Palo Verde JC (1952 and '53). His college career was interrupted by three years in the Army (1953-56).

LEW STUECK—(UCLA '57)
Head Freshman Coach

Lew Stueck starts his second year as head freshman coach after his squad finished with a 3-1 record in 1963. Before joining the UCLA staff, Stueck was head coach at Los Angeles' Loyola High School for five years, where he posted a 33-12-3 record. His 1962 team won its league title and the California Interscholastic Federation, Southern Section, large schools championship with a spotless 13-0-0 record.

He was graduated from UCLA in 1957 after transferring from Washington State where he lettered on the varsity and freshman football squads.

Stueck is married to the former Donna Friese and they have three daughters, Julie, 6, Monica, 4, and Kristina, 2.

THUMBNAIL SKETCHES OF UCLA PLAYERS

LEFT END

KURT LEO ALTENBERG — Junior; one-year letterman, played 410½ minutes at left end and defensive halfback; non-playing "redshirt" in 1962. This outstanding two-way starter, equally good on offense or defense, was the first sophomore gridder ever to be the UCLA "ironman," topped by 51 minutes against Stanford and 48 minutes against both Penn State and Air Force Academy. He looms as a top All-Coast and/or All-America candidate. He set a UCLA record last year when he gained 166 yards on eight receptions against USC, breaking the old mark of 146 yards by Gene Gaines in 1960 Purdue game. He was Bruins' No. 2 receiver last year with 24 catches for 419 yards and 1 TD. A talented receiver, he has the knack of getting open and only dropped one pass last season. There's no doubt he figures to be one of the county's best receivers this season. Also rated the team's finest defensive back and, undoubtedly, will be used both ways this year even though the Bruins will primarily go with offensive and defensive units. Last year, was the co-recipient with halfback Byron Nelson of the Bruin Bench's "Rookie-of-the-Year" award and also voted the Westwood Junior Chamber of Commerce trophy for "Outstanding UCLA Player in USC Game." Won 1963 honorable mention on the All-AAWU and AP All-Coast teams. Lettered in football at El Camino (Calif.) Junior College in 1961 before transferring to UCLA. Lettered two years in football under Coach Hub Maikowski at Serra Hi in Gardena, Calif.; also lettered in basketball and track. Won all-CIF first team grid honors in 1960 and also was voted Catholic League's "Most Valuable Player." Also served as football captain and Senior Class president. English major. Delta Sigma Phi fraternity.

GARY IVESON BICKERS — Sophomore; 1963 frosh numeral winner as a starting end. Showed promise as a frosh last year and flashed potential as a two-way performer this spring. Probably will be used more as a defensive halfback this fall. He has good size (6-3, 185), quickness and covers a lot of territory on defense. Also has the ability to be a top receiver with his speed, good hands and moves. Lettered two years in football under Coach Otto Plum at Hawthorne (Calif.) Hi; also lettered in basketball and track. Won All-Bay League honors in all three sports and also played on the 1963 South team in Shrine North-South summer all-star prep classic in L.A. Coliseum. Undecided on major in College of Letters & Science.

GARY MARVIN CALLIES — Senior; two-year letterman at end, played 92½ minutes last year and 66½ minutes in 1962; 1961 frosh numeral winner. Didn't

see action in four games last fall because of injuries. He'll go both ways, but will probably concentrate at defensive halfback. He has good speed and hands and goes for the ball well. Last year, he caught 6 passes for 44 yards; as a soph, 9 for 96. In other words, this senior is a solid and versatile performer. Lettered in football, basketball and baseball at Glendale (Calif.) Hi, winning all-league grid honors under Coach Roy Vujovich, former UCLA star. Also named "Most Valuable Player" on his team in 1960. Physics major. Phi Gamma Delta fraternity.

ROBERT JAMES (BOB) DIETRICH — Junior; one-year non-letterman, played 11½ minutes last year; non-playing "redshirt" in 1962. Saw action in only two games last fall. Has good speed and figures to be used primarily at defensive halfback. Transferred to UCLA from Pierce Junior College in Woodland Hills, Calif., where he won 1961 All-Western States Conference second team grid honors. Lettered three years in football under Coach Robert Clark at North Hollywood (Calif.) Hi; also three years in track. Won All-East Valley League honors two years at end. Also served as Senior Class president. Philosophy major.

WINSLOW GAINES — Sophomore; frosh numeral winner at right half last year. This younger brother of Gene Gaines, the Bruins' brilliant single wing wingback on the 1958-59-60 teams, will probably be "redshirted" this season so that he can gain needed experience and physical maturity. To complement his passing prowess, this talented athlete also is a dangerous runner. Rates as an All-Coast and/or All-America candidate this fall; in fact, he may well be the best all-around QB on the Coast this season if he can become more consistent in his play. Certainly, he and Steve Sindell figure to team up as a tremendous 1-2 punch at this key spot. Last year, he was voted the important UCLA Coaches' General Excellence Award; also won 1963 All-AAWU and AP All-Coast honorable mention. Lettered three years in football under Coach Joe Zeno, Sr., his father, at Waltham (Mass.) Hi; also lettered three years in both baseball and basketball and one year in ice hockey. LEFT HALFBACK

RAYMOND EDWARD (RAY) ARMSTRONG—Sophomore; frosh numeral winner as a left half last year. One of the fastest men on the squad, this 160-lb. speedster impressed in spring practice with his running. He looms as the team's best punt and kickoff returner. He had a big day in the 1963 Brubabes' 42-0 victory over the San Diego State Jayvees when he racked up 163 yards on 7 carries, topped by a 72-yard TD dash and

another long 73-yd. run. Also competed on the frosh track team last spring and had a best of 9.8 in the 100. Lettered in football under Coach Don Couch at Livermore (Calif.) Hi; also lettered in track and basketball. Was an All-Diablo Valley League first team selection and also voted his team's "Most Valuable Player." Also served as both football and basketball captain and Student Body vice-president. Pre-Dental major.

STEVEN DOUGLAS (STEVE) DURBIN—Sophomore; frosh numeral winner as a left half last year. Because of injuries, he played in only two frosh games last season. Starred in the Brubabes' 7-6 victory over USC's Trobabes in the season finale, scoring the lone TD on a 3-yd. run and led the team in rushing with 48 yards in 11 carries. One of the most pleasant surprises of spring practice, he's not big or fast but has excellent running instincts and gets extra yardage when hit. He's an explosive runner with good impact. Off fine spring practice, looms as starter at this spot. Figures to go strictly on offense, but plays defense well. Was leading ground gainer with 87 net yards on 20 carries for 4.3 average in Varsity's 20-8 victory over Alumni in spring game. Lettered three years in football under Coach John Trump at University Hi in Los Angeles. Was 1962 All-City second team selection and also All-Western League at QB for two years. As senior, was voted Western League's "Player of the Year." Served as football captain. Business Administration major. Beta Theta Pi fraternity.

ARTHUR ALLAN (ART) STEINBECK — Junior; non-playing "redshirt" squad member last year and also in 1962. This hard worker will go strictly on offense and may help the Bruins' running game. Transferred to UCLA in September, 1962, from El Camino (Calif.) Junior College where he lettered one year in football. Lettered two years in football under Coach Hub Maikowski at Gardena (Calif.) Hi; also lettered one year in track. Won all-league grid honorable mention. Economics major. Alpha Sigma Phi fraternity.

RIGHT HALFBACK

RAYMOND CARL (RAY) BENSON — Sophomore; frosh numeral winner as a right half last year. Has good speed and may see action at defensive safety. Lacks size but has potential to develop. Lettered in football under Coach Michael Bell at Belmont Hi in Los Angeles; also lettered in track and baseball. Served as football and baseball captain. Physical Education major.

MICHAEL STEVEN (MICKEY) ERLICH—Sophomore; frosh numeral winner as a right half last year.

May help out at defensive halfback this season. Lacks size but is a hard worker. Lettered three years in football under Coach Bob Ingersoll at Cleveland Hi in Reseda, Calif.; also lettered three years in baseball and two years in track. Was an All-West Valley League second team selection in football. Also played in 1963 Breitbard Athletic Foundation prep summer classic in San Diego, Calif. Twice served as Student Body president. Pre-Pharmacy major.

MICHAEL ARTHUR (MIKE) HAFFNER—Senior; two-year letterman, played 94½ minutes last year and 107½ minutes in 1961; didn't play in 1962 because of knee injury; 1960 frosh numeral winner as starting tailback (lh) in Single Wing. Last season, in his first year in the T-formation, he played the first three games at left half, the next five games at T-QB and the last two games at right half (flanker back). Off a fine spring practice, it is apparent that right half is his "spot" in which his talents as both a runner and pass receiver can best be utilized. Showed definite signs last spring of regaining his top running form to go along with his receiving ability. Plus, he showed marked improvement as a blocker and could well be the Bruins' best punter. Appears to have recovered completely from a knee injury which sidelined him for the entire 1962 season. He had a sensational soph season as a Single Wing tailback in 1961. In fact, he's the top soph ground-gainer in UCLA history, winding up as the No. 1 AAWU and UCLA yardage leader with 696 net yards in 107 regular-season carries for a 6.52 average to surpass the previous Bruin soph record of 597 yards by Paul Cameron in 1951. Added only 7 yards on 5 carries in 1962 Rose Bowl game. He has an exciting running style, with deceptively long strides that eat up the yardage. Won 1961 All-AAWU, AP and UPI All-Coast second teams honors and also received AP All-American honorable mention. Was co-recipient of the 1961 UCLA "Rookie of the Year" award. Figures to put in a strong bid for "All" honors again this fall. Lettered three years in football under Coach Bob Musick at Baldwin Park (Calif.) Hi; also lettered in basketball, baseball and track. Won all-league honors in all four sports. Also won All-San Gabriel Valley honors in football and basketball. Also served as both football and basketball captain. Physical Education major. Phi Kappa Psi fraternity.

EDWARD CARL (EDDIE) HUTT, JR.—Sophomore; frosh numeral winner as a left half or right half last year. After being used at left half during spring practice, this speedy sophomore will be switched to right half this fall and will be used mainly on defense at safety. Also was a sprinter, long jumper and triple jumper on the Bruins' frosh track team last spring with bests of 10.2 in 100, 21-11 in LJ and 42-6 in TJ. Rated a soph gridder with fine potential. Lettered four years in football under Coach Al Rose at Caruthers (Calif.) Hi; also lettered four years in both track and basketball and one year in baseball. Was a 1963 All-Fresno County first team grid selection. Also won all-league honors in basketball and track. Served as captain of football, track and basketball teams; also as Sophomore Class president. Business Administration major.

KENNETH EUGENE (KEN) LOPEZ—Junior; nonplaying "redshirt" squad member last year and also in 1962; 1961 frosh numeral winner as a wingback (rh) in Single Wing. This hard worker figures to see action at defensive half. Lettered three years in football under Coach Frank LaSan at Pacifica Hi in Pittsburg, Calif.; also lettered three years in both track and baseball and two years in basketball. Won All-San Francisco Metropolitan second team grid honors. Also served as captain of both football and track teams as well as being Student Body president. Geography major. Phi Kappa Sigma fraternity.

TIMOTHY KNIGHT (TIM) McATEER—Sophomore; frosh numeral winner as starting right half last year. Has good speed and showed potential last spring as both runner and pass receiver before being slowed down by injuries. Against Stanford Frosh last fall, he returned a punt 58 yards for a spectacular TD. Lettered four years in football under Coach Bill Feiling at Lowell Hi in San Francisco; also lettered four years in both baseball and basketball. Won 1962 All-Northern California prep first team honor and also voted All-San Francisco City "Back of the Year." Served as captain of all three sports. He's the son of State Senator J. E. McAteer. Economics major.

BYRON NICHOLAS NELSON — Junior; one-year letterman, played 206 minutes last year; didn't play in 1962; 1961 frosh numeral winner as starting fullback. Played in all 10 games last season, topped by 36½ minutes against Illinois and 32 minutes against USC. Started in 5 games at left half. Moved to right half last spring and figures to be an outstanding safetyman and also team up with Mike Haffner to give the Bruins a fine 1-2 punch at wingback on offense. Has excellent instincts for playing ball on pass defense. Very aggressive, he moves well for his 199 pounds. Combines power and speed in his running. Plus, he's a top pass receiver and strong blocker. One of the best come-through performers last year and was deserving of being voted co-recipient of the Bruins' "Rookie of the Year" award. A mere peek at his statistics below show his all-around value to the '63 Bruins. Led team in scoring with 36 points, third in both rushing and receiving (note that of 21 passes he caught 5 were for TD's) and second in both kickoff and punt returns. Plus, he intercepted one pass (actually a fumble in midair) for a TD and also hit his only pass attempt for 19 yards. Yes, a truly talented all-around football player! Won 1963 AP All-Coast honorable mention and figures to warrant more "All" recognition this fall. Oh, yes, he's no relation to his famed golf namesake; in his words, "I'm strictly a duffer on the links." Worth noting is that his middle name is Nicholas, sort of reminiscent of another famed golfer Jack Nicklaus. Lettered two years in football under Coach Lew Stueck, now the UCLA frosh coach, at Loyola Hi in Los Angeles; also lettered in baseball, track and wrestling. Won All-Catholic League second team grid honors and held football captaincy in 1960. Also served as Senior Class president. Political Science major. Phi Gamma Delta fraternity.

ROBERT GEORGE (BOB OR RED) RICHARDSON —Junior; one-year letterman, played 292 minutes last year; 1962 frosh numeral winner as starting end. Played in all 10 games last season, topped by 44 minutes against Penn State and 41 minutes against Notre Dame. Started in 4 games. This 6-0½ stringbean only weighs 160 but is wiry, tough and a fine competitor. He goes both ways, but starts at defensive left half. He's quick and smart—and picked up a lot of valuable

experience last year. Was the Bruin's No. 4 pass receiver with 10 catches. Also tied with Kurt Altenberg as the team's best pass interceptor with 2 each. This brother of UCLA soph tackle John Richardson lettered two years in football under Coach Birt Slater at Kearny Hi in San Diego, Calif.; also lettered two years in both track and basketball. Won All-San Diego CIF first team grid honors. Also won all-league honors in all three sports. Served as football captain. Pre-Dental major. Phi Delta Theta fraternity.

JACK ALLEN BLAINE—Junior; one-year nonletterman, played 22 minutes; 1962 frosh numeral winner as a fullback. Played in only two games last season. Carried ball 5 times for 28 yards and 5.80 average. Hampered by leg injuries all season long and also missed most of spring drills because of injuries. Rated a comer if healthy. Lettered three years in football under Coach Hal Fink at San Marcos Hi in Santa Barbara, Calif. Won All-Channel League honors and also served as football captain and Senior Class president. Business major. Phi Delta Theta fraternity.

JOHN ROLAND CHAMPLIN—Sophomore; nonplaying "redshirt" squad member last year; 1962 frosh numeral winner at left half. Showed promise in spring practice and may help. JAMES MICHAEL (JIM) COLLETTO—Junior; one-year letterman, played 319½ minutes last year; 1962 frosh numeral winner as starting fullback. Played in all 10 games last season, topped by 51 minutes against Penn State and 46 minutes against Stanford. Started in 8 games. Excused from spring practice to play on Bruin baseball team. Was the starting right fielder and one of the team's top power hitters with a .331 average, including 5 homers, 3 triples and 12 doubles. He goes both ways, but figures to be pushed by Paul Horgan for starting offensive duty at full. He's a talented and hard-nosed defensive end. Was the 1963 Bruins' leading ground-gainer with 179 net yards and a 3.80 average. Certainly rates as one of the Bruins' best come-through soph performers. Was the worthy recipient of the 1963 Paul I. Wellman award as the team's "best blocker and tackler." Won 1963 AP All-Coast honorable mention

and could be a contender for more "All" recognition this fall. Lettered three years in football under Coach Dan Albert at Monterey (Calif.) Hi; also lettered three years in baseball and one year in basketball. Won All-Northern California first team grid honors and also All-American prep honorable mention in 1961. PAUL CAMPBELL HORGAN — Junior; one-year letterman, played 124½ minutes last year; 1962 frosh numeral winner as starting left half. Played in 9 of 10 games last season, topped by 33 minutes against Washington. Improved steadily as season went along and virtually split playing time with Jim Colletto in final three games. With Colletto not out for spring practice, Horgan drew a lot of attention and continued to improve. This hard runner impressed in Varsity-Alumni spring game by gaining 43 yards on 13 carries and scoring two TD's on one-yard plunges in Varsity's 20-8 victory. Also slated for duty at defensive end. A Bruin to watch! Lettered three years in football under Coach Lew Stueck, now the UCLA frosh coach, at Loyola Hi in Los Angeles; also lettered in baseball. Won 1961 All-Southern California CIF first team grid honors at tailback (LH) and also was voted the All-CIF "Player of the Year." Served as football co-captain and also Student Body secretary. Won All-Foothill League second team grid honors and also voted his team's "Most Valuable Player." Undecided on major in College of Letters and Science. Phi Kappa Psi fraternity.

HISTORY OF UCLA

ROYCE HALL

UCLA, youngest of the nation's major universities, has a history that mirrors the rapid growth of California itself.

It was only 45 years ago that UCLA joined the University of California system under the name of the University of California, Southern Branch (changed to UCLA in 1927).

It very soon became apparent that the small campus on Vermont Avenue would not long house the kind of university that UCLA promised to become, and in 1929 the move was made to the rolling hills of Westwood, nestled between the Santa Monica mountains and the sea.

Here UCLA has developed its remarkable 411-acre campus, now 70 per cent complete, and settled down to the serious business of producing high-quality graduates for California's growing needs in business and industry.

One requisite for such graduates is a body of top-quality entrants, achieved by limiting entrance to the top 12½% of the state's high school graduates—those making a B average in a selected pattern of college preparatory work. There is no shortage of such students; UCLA now has an enrollment of over 22,000 and is rapidly approaching its upper limit of 27,500, expected by 1967.

UCLA is the second largest campus in point of enrollment among the nine campuses of the state university, headed by President Clark Kerr.

Dr. Franklin David Murphy, 47, is Chancellor at UCLA. He heads a teaching and research staff of 2,618 and a full-time non-teaching staff of 5,814.

There are now 71 instructional departments, 13 schools and colleges, the Graduate Division, and 24 bureaus, centers and research institutes.

UCLA is the fastest-growing major university in the United States. Since the end of World War II a $150,000,000 building program has been under way, to meet the ever-increasing enrollment. The number of buildings has more than doubled since the end of the war, and building continues at a rapid pace to keep ahead of growing student population.

The library at UCLA, with its 17 branches, contains 2,000,000 volumes, making it the largest research library in the Southwest.

UCLA ranks among the top ten universities in the nation in the quality of its graduate offerings.

In contrast to older American universities which have been building for a century or more, UCLA erected its physical plant during a single generation. Its postwar buildings are constructed of the same material and share the same architectural feelings as the older buildings.

HISTORY OF UCLA

(Continued)

While physical expansion is the most astonishing single facet about the Los Angeles campus, the University has also grown rapidly and vigorously in instruction and research—helping the entire University of California maintain its place as one of the "Big Five" in American education, along with Harvard, Yale, Columbia, and Chicago.

DR. FRANKLIN D. MURPHY

UCLA Chancellor

DR. MURPHY

UCLA's Chancellor Franklin D. Murphy firmly believes that a properly balanced athletic program does no violence to a university's academic development and that, in fact, it contributes to a well-rounded institution.

In the few years since taking over the reigns at UCLA, Chancellor Murphy has given evidence of providing the same kind of vigorous leadership in the sports program which characterizes his actions in the academic world and in the community.

His primary obligation, of course, is to guide the university in its increasingly complex educational operation, but he manages to find time for such community service as participation on the board of the Los Angeles Art Museum and as a director of the California Museum of Science and Industry.

A former Chancellor of Kansas University, Dr. Murphy came to UCLA in 1960 with a varied background including the following elements:

1. He is a medical man. His father was one of the founders of the University of Kansas School of Medicine, and his brother is on the staff of Cornell Medical School. Chancellor Murphy took his medical training at the University of Pennsylvania, and during World War II served in the U.S. Army Medical Corps doing research on malaria. For three years he was Dean of Kansas University's School of Medicine.

2. He has a broad international background. This includes membership on the United States Advisory Commission on International Educational and Cultural Affairs to the Department of State, the Council on Higher Education in the American Republics, and the Peace Corps National Advisory Council.

3. He has been sympathetic toward enlightened business and industry, serving on the Board of Trustees of such enterprises as Hallmark Cards, Inc., the First National Bank of Kansas City, and McCall's, Inc.

4. He is a member of such educational and philan-

thropic boards as the Carnegie Foundation for the Advancement of Teaching, the Menninger Foundation and the Kress Foundation.

The chancellor's interests in sports dates back to the days when he was an all-interscholastic quarterback in Kansas City. He is a frequent spectator at UCLA football games and an ardent fan of all kinds of sports. During one rather poorly attended football game a few years ago, he moved into the rooting section to help operate the card stunts.

Chancellor Murphy is married to the former Judith Joyce Harris of Kansas City, a graduate of Vassar; and they have four children, Judith Joyce, 21, Martha Alice, 20, Carolyn Louise, 15, and Franklin Lee, 14.

DR. BRADFORD A. BOOTH
Faculty Athletic Representative

DR. BOOTH

A man eminently qualified to write a book on how to watch a football game is writing one instead on how to read a novel. He is Dr. Bradford A. Booth, UCLA's faculty athletic representative, who holds what is probably the best attendance record ever chalked up by a Bruin fan. He has missed but one home game in 28 years.

Last year Dr. Booth served as president of the Athletic Association of Western Universities (AAWU) and this year is serving his fifth term as UCLA's representative to that body.

A professor of English, Dr. Booth specializes in Victorian literature, concentrating on the writings of the prolific novelist Anthony Trollope. Trollope lived and wrote in a period when the football was evolving into its oval shape and the game into its present wide-open form.

The UCLA professor is drawing from a lifetime of reading, researching and analyzing novels and novelists for his in-progress book on how to read a novel. It is designed as an aid to readers. He recently completed a five-volume edition of "The Letters of Robert Louis Stevenson," a literary project which gained the backing of the Guggenheim Foundation.

Dr. Booth did his undergraduate work at Allegheny College in Meadville, Pa., graduating in 1930. He received his M.A. and Ph.D. from Harvard University in 1932 and 1935 and then accepted a Dexter Fellowship from Harvard for special research at Oxford and the British Museum.

He came to UCLA in 1936 after teaching English at the University of Tennessee for a year.

A sports participant as well as a spectator, Dr. Booth plays tennis and golf. He lives in Brentwood with his wife, Josephine, and daughters, Celia, 19, a junior at

UCLA majoring in history, and Carol, 14, who attends Palisades High School. The oldest daughter, Barbara, is married and is a senior at the University of Washington, where she is majoring in history.

J. D. MORGAN (UCLA '41)
Director of Athletics

J. D. MORGAN

J. D. Morgan is now in his second year as UCLA's athletic director, a position he took over on July 1, 1963 when Wilbur Johns resigned. His first year, of course, was highlighted by the Bruins' sweep to a spotless 30-0 basketball season and the 1964 NCAA cage title.

As expected, Morgan's background as a successful UCLA coach, an associate business manager of the University and an enthusiastic alumnus has stood him in good stead in handling this challenging job of directing the Bruins' athletic program which includes fielding teams in the following 18 sports, listed in alphabetical order: baseball, basketball, crew, cricket, cross country, fencing, football, golf, gymnastics, rifle, rugby, soccer, swimming, tennis, track, volleyball, water polo and wrestling.

J. D. (his initials are his only first name) also is continuing to coach the Bruin tennis team, a job he has held down with "winning" success since 1951. In fact, he turned out his 14th straight winning team last spring and was edged out by USC's crosstown Trojans for both NCAA and AAWU team titles by the slim margin of one point, 26-25 in national play and 16-15 in conference play. His Bruins have won six NCAA tennis titles (1952-53-54-56-60-61) and have been the runners-up for the past three seasons (1962-63-64). UCLA, incidentally, will host the 1965 NCAA netfest, June 14-19.

Doubling up is nothing new for Morgan as he was the associate business manager and tennis coach for eight years prior to accepting his present post. Then before that he served in a dual capacity as both assistant Bruin tennis coach and accountant for the Associated Students of UCLA from 1946 through '50.

Morgan is a leader in collegiate tennis nationally. He's currently serving as chairman of the NCAA Tennis Tournament Committee. He was one of the founders of the National Collegiate Tennis Coaches Assn. nine years ago and served as its president for the first four years. He's now on its executive committee.

J. D. earned four tennis letters (1938-41) at UCLA and was captain and No. 1 player in his senior year. He prepped at Cordell, Okla., High where he was a four-sport athlete, lettering in football, basketball, baseball and tennis. In tennis, he won All-State prep

honors and was an all-league selection in both baseball and football. Incidentally, a back injury kept him from playing football for the Bruins.

Morgan graduated from UCLA's School of Business Administration in 1941. During World War II he commanded a Navy torpedo boat.

He's wed to the former Cynthia Gray Crane. They have a son, Kevin, 10, and a daughter, Pamela, 3½. The Morgans reside in Northridge in San Fernando Valley.
